

presents:

The Second Annual Four Corners

Participatory Assistive Technology Conference

"USING ASSISTIVE TECHNOLOGY TO PARTICIPATE"

When: Monday, June 15th

Where: San Juan College, Henderson Bldg 9000 series rooms, 4601 College Blvd

Check-in: 9:00 – 9:30 in the hallway outside the conference rooms

This event will be different from a typical AT conference. There will be three interactive sessions where we will create art using assistive technology to support participation and performance. The conference is intended for people with physical and intellectual disabilities and their support people; through family, community based staff, and school personnel.

Tentative Agenda:

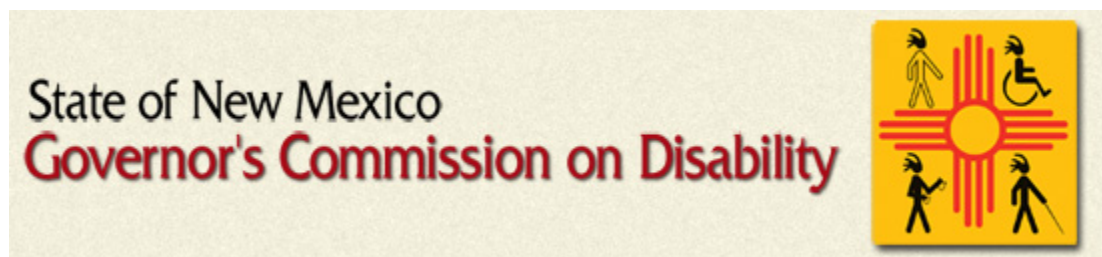

- 9:00 – 9:30 Check in to get a lunch ticket for pre-registered participants
- 9:30 – 10:00 Keynote address via internet, guest TBA
- 10:00 – 10:30 Report on DVR Assistive Tech Conference in Albuquerque – Kristen Simo
- 10:40 – 11:30 Art with Chris Schramm & Dwight Lawing
- 11:30 – 12:30 LUNCH
- 12:30 – 1:20 Music with Jane Voss
- 1:30 – 2:10 Web Exploration with Julie Bisbee
- 2:10 – 3:00 Drumming with Lester Kien

Registration is FREE, but you MUST register to reserve a space and be included in the lunch count! To register, or for more information contact Martha at The Arc Thriftown:

Martha.m@thearcthrifftown.org or 505-325-8998.

Information Booths are available by contacting Dolores at harden@sisna.com

Major funding provided by:

Also sponsored by: SLang Tech, and family members & people with disabilities
